Kenya Forest Service (KFS) is a State corporate established under *The Forest Conservation and Management Act, No. 34 of 2016*. The mandate of KFS is to provide for the development and sustainable management, including conservation and rational utilization of all forest resources for the socio-economic development of the Country and for connected purposes.

Pursuant to Section 43 of FCMA, 2016, all plantation forests in public forests shall be managed on a sustainable basis for the production of wood and other forest products and services for **commercial purposes**.

In compliance with the Constitution of Kenya 2010, statutory laws, regulations and guidelines on public participation, KFS requests your views regarding disposal of 5,000 hectares of mature, over-mature and commercial thinning material. Kindly submit your views by filling this form and submit to the nearest KFS Forest Station, County Forest Office, Regional Conservancy office, KFS Headquarters or email it to plantation@kenyaforestservice.org.

Your views should be received on or before **Friday 29th December, 2023**.
